

LEANING POSTS

2007 Feature Product

Neptune II Leaning Post

TACO introduces the Neptune II Leaning Post, designed for smaller center console boats. Backed by TACO's 3 year warranty, Neptune II leaning posts are constructed of anodized aluminum, engineered and built to last. Unique patent pending soft pouch is easily removed and provides a convenient tote for fishing gear. Two-position, adjustable height footrest. Footprint dimensions 15" x 33-1/2".

Features:

- Anodized aluminum frame with grab rail
- Four adjustable aluminum rod holders
- Removable, soft-sided storage under seat
- Adjustable footrest
- Cooler storage with convenient strap

Benefits:

- Easy Do-It-Yourself assembly
- Convenient & secure removable storage for tackle & gear
- Comfortable cushion seat
- Room for 72 qt cooler
- 3-Year warranty

Removable storage bag with shoulder strap
